CHEMICAL AND PHARMACEUTICAL
ANALYSIS

ISSN: 2348-0726

Editorial

International Journal of Chemical and Pharmaceutical Analysis (IJCPA): Volume-2, Issue-1 (October-December 2014)

Anjali Pawar

Editor in Chief, IJCPA

Dear All,

It's my immense pleasure to launch the **October-December 2014 issue (Issue-1, Volume-2)** of "**International Journal of Chemical and Pharmaceutical Analysis (IJCPA)**". IJCPA is available online at www.ijcpa.in as well as in Printed form (Hard Copy).

IJCPA is a rapid processing peer reviewed quarterly published open access journal indexed **with Google Scholar, Chemical Abstract Services (CAS), Science Central, Index Copernicus, Pharmaceutical Science Open Access Resources (PSOAR), Rubriq, Directory of Research Journals Indexing, Journal Seeker, Directory of Science, Indian Science.in and Jour Informatics.**

This Journal publishes original research work that contributes significantly to further the scientific knowledge in area of **Chemistry, Pharmaceutics, Novel Drug Delivery, Biopharmaceutics, Pharmacokinetics, Nanotechnology, Pharmacognosy, Phytochemistry, Natural Product Research, Pharmaceutical/Medicinal Chemistry, Computational Chemistry and Molecular Drug Design, Pharmacology and Toxicology, Pharmaceutical Analysis, Quality Control, Quality Assurance, Drug Regulatory Affair, Pharmacy Practice, Clinical and Hospital Pharmacy, Pharmacogenomics, Bioinformatics, Pharmaceutical Biotechnology and Microbiology.** The Journal publishes original research work either as a Full Research Paper or as a Short Communication / Case study. Review Articles on a current topic in the said fields are also considered for publication by the Journal.

I must laud the efforts of our esteemed editorial team members and reviewers who have devoted their precious time in critical review of the manuscripts submitted to journal. Without their support we would not have been able to publish quality papers in the IJCPA.

I close this piece with renewed solicitation to pharmaceutical and related professionals, researchers, scientists and scholars to contribute quality research and review articles on topics of current interest and provide an opportunity to IJCPA to disseminate their ideas and innovations to the scientific community across the globe.

Thanks.

With warm regards,

Mrs. Anjali Pawar

Editor in Chief,

International Journal of Chemical and
Pharmaceutical Analysis (IJCPA)
