It is my immense pleasure to introduce you the **October-December 2018 issue (Issue-1, Volume-6)** of "*International Journal of Chemical and Pharmaceutical Analysis (IJCPA)*". IJCPA is available online at www.ijcpa.in as well as in Printed form (Hard Copy).

IJCPA is a rapid processing peer reviewed quarterly published open access journal indexed with **Google Scholar, Chemical Abstract Services (CAS), Science Central, Index Copernicus, Pharmaceutical Science Open Access Resources (PSOAR), Rubriq, Directory of Research Journals Indexing, Journal Seeker, Directory of Science, Indian Science.in and Jour Informatics**. Recently, IJCPA has been included in China Knowledge Research Integrated (CNKI) database.

This Journal publishes original research work that contributes significantly to further the scientific knowledge in area of **Chemistry, Pharmaceutics, Novel Drug Delivery, Biopharmaceutics, Pharmacokinetics, Nanotechnology, Pharmacognosy, Phytochemistry, Natural Product Research, Pharmaceutical/Medicinal Chemistry, Computational Chemistry and Molecular Drug Design, Pharmacology and Toxicology, Pharmaceutical Analysis, Quality Control, Quality Assurance, Drug Regulatory Affair, Pharmacy Practice, Clinical and Hospital Pharmacy, Pharmacogenomics, Bioinformatics, Pharmaceutical Biotechnology and Microbiology**. The Journal publishes original research work either as a Full Research Paper or as a Short Communication / Case study. Review Articles on a current topic in the said fields are also considered for publication by the Journal.

IJCPA provides an international forum for the researchers and development scientists in the field of Chemical and Pharmaceuticals. With I thanks all the members of the editorial team, reviewers and author for their co-operation and support extended in bringing this issue of the journal possible. I take this chance to sincerely welcome all students, fellow Chemists / Pharmacists, researchers and professionals to submit their valuable research work for publication in IJCPA.

Thanks.

With warm regards,

Anjali Pawar,
